To the tune of Pass It On.

Verse 1:

It only takes some yarn... to get your fingers going.
And soon all those around... will warm up in your stitching.

Chorus:

**That's how it is with Yarn Love...once you've experienced it.
You'll spread this love... to everyone...
You'll want to Pass It On! (Pass It On...)**

Verse 2:

Silk, Bamboo, and Wool... the fibers are unending.
Cotton, Linen too... their colors are inspiring.

Chorus

Verse 3:

In good times and in bad... yarn comforts and is soothing.
The stitches make you glad... and friends are there for sharing.

Final Chorus:

**That's how it is with Yarn Love... once you've experienced it.
You'll want to sing
The Joys of String
You'll want to Pass It On! (Pass it On!....Pass it On!...)**
